## HOLIDAY CALENDAR HOURS

**November 11, 2011**

**Veterans Day.** Be sure to have lots of red white and blue balloons on hand. This is also the start of election season. Candidates will have money to spend. Balloons are great attention grabbers for town hall meetings and public appearances. They will be trying to “sell you on their ideas”. Why not sell them on balloons. Custom printed ones with their name or logo can lead to reorders all the way through till November 2012.

**November 15, 2011**

AZ QBN will meet at Big Fun Balloons at 6:30 PM. We will be doing prep work for the **Salvation Army Thanksgiving Dinner**. All those who would like to participate in this project are welcome. You do not have to be a member to participate. Come and learn how to prep before an event so that there is less time spent on site and less labor costs.

**November 23, 2011**

AZ QBN meeting at Big Fun Balloons at 3:00 PM to caravan and load up to decorate for the **Salvation Army Dinner**. Please call for location, parking and car pool info. We will need lots of help. Non- members welcome. It's a great chance to give back to the community.

**November 24 & 25th, 2011 Happy Thanksgiving!** We are grateful for you patronage. We will be closed **BOTH** days.

**December 24, 25, 26, 2011 Merry Christmas!** We will be closed for the holiday. Hope you have a great holiday.

**December 31, 2011**

**Happy New Year!** We will be closed. We will re-open on January 3, 2011 at 8:30 AM.

**February 14, 2011**

**Valentine's Day** is on a Tuesday this year. Capture early sales with incentives to order early. Offer a discount or additional product if balloons are delivered or picked up on Sunday or Monday.

# Seasons Greetings
